HUNDREDS RUSH TO GET TANLAC

Cooper Besieged With Cal-
lers Who Wants Famous
Medicine.

Louisville, Ky., June 4th - Hun-
dreds are now calling almost daily
to meet L. T. Cooper, the noted visit-
or, and to find out just how his fa-
mous medicine, Tanlac, is sold, how
it is prepared and what the prepara-
tion actually looks like.

In commenting upon the rush to
meet Mr. Cooper and obtain his cele-
brated medicine, the manager of the
Taylor-Isaac store, said:

"The success of the opening of the
introductory sale of Tanlac exceeded
our expectation. We have been
agreeably surprised by the knowl-
edge the public seems to have of the
preparation. While many came
just to meet Mr. Cooper and see
what the medicine really looked
like, equally as many came pre-
pared to obtain the preparation. These
people simply asked for Tanlac, and
the facility with which the medi-
cine was distributed throughout the
day proved somewhat of a revela-
tion to many of our older men."

Mr. Cooper said: "I am, indeed,
gratified to see such marked enthu-
siasm, and I feel justified in pre-
dicting that Tanlac will prove just
as successful in Louisville as it has
in the larger cities. I do not believe

that I am overestimating the suc-
cess of the medicine when I state
that I am confident that from three
to five thousand people will call
and obtain Tanlac during this week.

Mr. Cooper was asked about the
charitable work he intends to per-
form in Louisville. He replied:
"Yes it is true that I have written
the Associated Charities asking that
organization to furnish me as soon
as practicable, with the names and
addresses of at least fifty of the
most deserving poor families of
your city, whom I propose to help.
I have also written St. Joseph's Or-
phan's home, offering certain con-
tributions. I shall communicate
with similar institutions within a
few days with the view of endor-
ing their noble efforts by assisting
them in some substantial way."

"In conformity with my usual
custom of encouraging the hospitals
I will make special concessions with
reference to supplying such institu-
tions of your city with Tanlac, as I
consider the preparations a superior
tonic in all cases of convalescence."

The famous medicine, Tanlac, can
now be bought at Geo. King & Sons
at Earlington and St. Charles, Ben
T. Robinson, Mortons Gap, and The
City Drug Store, Nortonville Ky.

Get Rid of Your Rheumatism

Now is the time to get rid of your
rheumatism. You can do it if you
apply Chamberlain's Liniment. W.
A. Lockhart, Homer City, N. Y.,
writes: "Last spring I suffered from
rheumatism with terrible pains in
my arms and shoulders. I got a
bottle of Chamberlain's Liniment
and the first application relieved
me. By using one bottle of it I was
entirely cured." For sale by all
dealers. Adv.

Extra Session Unlikely

The debonair J. Hamilton
Lewis, Senator from Illinois,
knows how to get his name in
print, and his latest exhibition
of skill in that direction came
through the suggestion that there
should be an extra session of
Congress in October. The per-
fect serenity of the nation will
likely not be disturbed by the
reassembly of Congress prior to
the regular time next Decem-
ber Congress under a single roof
is the biggest noise in the new
world; and just now while every
body is trying to "keep quiet
and keep cool" all will join in
the wish that the members of the
two houses may have a nice,
quiet vacation, and make just as
little noise, individually, as they
possibly can. The President is
not at all likely to call an extra
session in the fall.

ONE HUNDRED DOLLARS FOR BEST MOONLIGHT SCHOOL

Women's Clubs in their annual
meeting in Lexington voted to
offer a prize of \$100 for the teach-
er in Kentucky who shall teach
the best moonlight school, the
prize to be awarded through the
Kentucky Literature Commission,
Frankfort, Kentucky. Here is a
chance for some teacher to add
a hundred dollars to his salary
and for many teachers to help
others and to help Kentucky.
Go in and win this prize!

WOMAN COULD HARDLY STAND

Because of Terrible Back-
ache. Relieved by Lydia
E. Pinkham's Vegeta-
ble Compound.

Philadelphia, Pa. "I suffered from
displacement and inflammation, and had
such pains in my
sides, and terrible
backache so that I
could hardly stand.
I took six bottles of
Lydia E. Pinkham's
Vegetable Com-
pound, and now I can
do any amount of
work, sleep good, eat
good, and don't have
a bit of trouble. I
recommend Lydia E.
Pinkham's Vegetable Compound to
every suffering woman." - Mrs. HARRY
FISHER, 1625 Doughton St., Nicetown, Pa.

Another Woman's Case.
Providence, R. I. "I cannot speak
too highly of your Vegetable Compound
as it has done wonders for me and I
would not be without it. I had a dis-
placement bearing down, and backache,
until I could hardly stand and was thor-
oughly run down when I took Lydia E.
Pinkham's Vegetable Compound. It
helped me and I am in the best of health
at present. I work in a factory all day
long besides doing my housework so you
can see what it has done for me. I give
you permission to publish my name and I
speak of your Vegetable Compound to
many of my friends." - Mrs. ABEL LAW-
SON, 126 Lippitt St., Providence, R. I.

This is Not a One Line Store

Our many years experience have taught us many things about our business—that and this experience—knowledge works to your advantage.

We found that most manufactures, whose products have stood the test of time, must have come individually, and with merit. And it has been part of our life work to gather these good things for you. So we say this is not a one line store.

Other merchants may realize as well as we do the merits of the different lines but a limited amount of business, they cannot carry so many of these good lines. But we can—our volume of business not only justifies many lines, but complete assortments in each line.

That is why we show you "High Art" "Sampeck" and "Hirsch-Wickwire" Clothes.

Stetson, Knox, Hawes and "High Art" Hats. Hanes, French, Shriver and Urner, Hurley and "High Art" shoes. Superior, Vassar, B. V. D. and Rockledgehair Underwear—and so on throughout the entire stock.

And this large volume of business, besides complete and varied stocks, give you the benefits of our fair based-on-value prices. We are sure you will find this store well worth knowing.

We refund fares to our out-of-town customers. Mail orders promptly shipped. Parcel post paid.

The man who whistles down a well
About the things he has to sell
Will never reap a crop of dollars
Like he who climbs a tree and
"hollers."

WELL-KNOWN KENTUCKY WOMAN SPEAKS.

A BOON TO WOMANKIND.

Wales, Ky.—"I take great pleasure in announcing to the public the great benefits I received from the use of Dr. Pierce's medicine. I had that dreadful disease, woman's trouble, which caused such bearing-down, pains, burning sensation, and dull feeling in my head that I became a nervous wreck. I had five doctors to treat me, all to no avail. I had given up to die and to leave my dear husband and five little girls to the mercy of this world when at last my husband begged me to try Dr. Pierce's medicine. I weighed 118 pounds when I began their use. I used 18 bottles of 'Favorite Prescription' and 'Golden Medical Discovery' and four or five boxes of 'Loison Tablets.' At the end of the treatment I was well and weighed 163 pounds."

Mrs. RACHEL TACKITT.

When a girl becomes a woman, when a woman becomes a mother, when a woman passes through the changes of middle life, are the three periods of life when health and strength are most needed to withstand the pain and distress often caused by severe organic disturbances.

At these critical times women are best fortified by the use of Dr. Pierce's Favorite Prescription, an old remedy of proved worth that keeps the female system regulated and in condition.

Mothers, if your daughters are weak, lack ambition, are troubled with headaches, lassitude and are pale and sickly, Dr. Pierce's Favorite Prescription is just what they need to surely bring the bloom of health to their cheeks and make them strong and healthy.

"Hids" of Land.

A definition of the "hids" of land has been found in a fifteenth century manuscript in the Bodleian library at Oxford. It reads: "Nota, for the measure and mete Lande. It ys to wete that ill. Bary Cornys in the myddle of the Ere makyth one ynce. And xlii Enchis makyth one foote; And sixtyne foote end a balfe makyth a perche; and in sum cuntre a perche is xviii. foote. Forty perchys in length makyth a Rode of lande; put illi thereto in breede, and that makyth an Acre. And xliii. Acres makyth an hyde of lande, which ys. lxx. Acres. OUR FEARS.

It is not what a thing is, but what we think it is, that frightens us. A man walks within an inch of death without knowing it and therefore without trembling, and then his hair stands on end at some empty, harmless noise.
